This document sets out the key terms and information you need to know about us, and our arrangement with you. Please read it carefully. If you do not understand any point or have any questions regarding our relationship with you, please ask us for further information.

Accepting of our Terms of Business

By asking us to quote for, arrange or handle your insurances, you are providing your informed agreement to these Terms of Business.

Who are we and who regulates us?

In these terms of business “we”, “us” and “our” means AXA Specialist Risks, a trading name of Brightside Insurance Services Limited. We are an insurance intermediary who are based in the UK and are authorised and regulated by the Financial Conduct Authority. Our registration number is 302216 and you can check our status by visiting the FCA’s website www.fca.org.uk/register. We are registered in England and Wales (no. 04137311) and our registered address is 45 Westerham Road, Bessels Green, Sevenoaks, Kent, TN13 2QB. Brightside Insurance Services are a wholly owned subsidiary of the Markerstudy Group which also includes Markerstudy Insurance Services Limited.

About Our Services

We are an insurance intermediary who arrange commercial insurance policies. We also offer a select range of optional additional products alongside our policies. We will arrange your insurance cover, administer payment or refund of premiums collected from you and pass them to the insurer and help you with any changes required to your existing cover. When arranging your cover, we will ask you questions so we understand your needs and ensure we provide you with a product or choice of products which meets those needs. Where more than one product on our panel is identified which meets your demands and needs, we will offer you the cheapest of those products. Subject to certain criteria we may offer advice or recommendations; where we do, this will be made clear to you when purchasing your cover. Where we do not provide advice or recommendations, we will provide information about relevant products for you to make an informed decision.

Throughout the period of insurance, we act on behalf of both you and the insurer. We act on behalf of you when providing a quote and arranging cover. Where we issue policy documents, handle claims and collect or refund premium payments, we act on behalf of the insurer.

Our Fees, Taxes and Charges

When you take out a policy with us you will be informed of the total price to be paid, including any fee, taxes and charges. This will be confirmed before we conclude the sale with you and with details also provided in your welcome letter. Any fees, taxes and charges that apply on renewal of your policy will be confirmed in your renewal invitation. A range of other fees also apply to your policy, which will be chargeable at the point they apply. A summary of these is provided below:

Transaction	Fee
Arrangement Fee*	25% of the insurer’s premium
Mid-Term Alterations	£35.00
Cancellation within 14 days	£35.00
Cancellation after 14 days	£75.00 including the commission earned by us for placing the insurance

Please note:

- The exact amount you will be charged for the arrangement of your policy will be disclosed when you buy a policy and will be confirmed in your documentation
- Any changes you make to your policy can also increase or decrease your insurance premium. Some insurers may also charge fees for making changes. Details of these can be found in your policy terms and conditions.
- Some fees are non-refundable after the first 14 days. These are highlighted with an asterisk (*) above.
- All premiums quoted include the government’s Insurance Premium Tax (“IPT”) at the prevailing rate

Remuneration

When you arrange or renew your policy through us, we charge you a fee, the amount of which is confirmed in your premium breakdown and welcome letter. In addition, we receive commission, which is a percentage of the premium, from the insurer(s) of your policy and any additional optional products you have purchased. Commission information may be disclosed on request.

If you choose to purchase your policy using premium finance, we will also receive commission from the finance provider for arranging the finance. We will be happy to provide details of this upon request.

We remunerate our colleagues using a combination of fixed and variable rewards that are designed to ensure they always act in the customers best interests. Our sales and servicing colleagues receive variable financial and non-financial rewards based on their sales performance, providing they also achieve high levels of customer service and quality scores.

About The Products We Offer

We are an independent intermediary and can offer products from a number of insurers and managing general agents (MGA's). Some products are selected from a limited range or from a single product provider and we will advise you when this is the case.

Your Responsibilities

Please take reasonable care to answer all the questions we ask you, either over the phone or online, honestly and to the best of your knowledge. If you do not your policy may be cancelled, treated as if it never existed or your claim not fully paid. Your duty to provide material information is not only confined to answering specific questions. Your duty of fair presentation means that insurers should be informed of any material fact or circumstance relating to your business. A material circumstance is any information which may affect the insurer's view of your risk.

We would like to remind you that it is an offence under the Road Traffic Act to make any false statements, or withhold any relevant information, to obtain a Certificate of Motor Insurance. Please note that under the Rehabilitation of Offenders Act you are not required to disclose convictions regarded as 'spent'.

You must also tell us about any changes which affect your insurance policy, for example a change of address, or a change in vehicle. Full details of the things you should tell us about are provided in your policy documents.

It is your responsibility to ensure that you have read, understood and checked the accuracy of the documents we send you, including details of the cover, limits and other terms that apply and confirmation of the information you have provided. If there are any errors, or you have any questions about your policy please contact us for assistance.

Cancellation

If you want to cancel your policy, please contact us using the contact details provided with your policy. The charges which will apply for cancelling your policy, and how any refund is calculated are set out below.

Cancelling within the first 14 days

If you have a cooling off period and cancel your policy within 14 days of the purchase date or the date at which you receive your documents (if this is later) then:

- If your policy has not started, we may be able refund your full premium dependant upon the cancellation terms of the insurer.
- If your policy has started and you have not made a claim, we'll refund you minus a deduction for the time on cover (calculated as a proportion of the annual cover based on the insurers cancellation terms)
- If your policy has started and you have made a claim it is likely that none of your premium will be refunded

In all cases our cancellation fee set as set out above will apply and the arrangement fee will not be refunded.

Cancelling after 14 days

If you want to cancel your insurance policy after the first 14 days then the cancellation will be subject to the insurers published cancellation terms in determining what, if any, refund is provided. These cancellation terms can be found in the Insurance Product Information Document and/or policy terms and conditions and we recommend you read this carefully to ensure you understand what terms will apply. If you have made a claim, it is likely that none of your premium will be refunded.

In addition to the insurers terms our cancellation fee will apply, the arrangement fee will not be refunded and any discounts which were applied to the original premium will be deducted on a pro-rata basis. We will also retain a proportion of the commission we received for arranging your policy.

Discounts may be given against the total cost of your policy. If we have given you a discount against your premium, this will be deducted on a pro rata basis from any refund due to you on cancellation.

Refunds

If you are entitled to a refund for any reason after your policy has started or after the expiry of 14 days, we will only provide this where the amount due to you is greater than £10.

Policies cancelled by us or the insurer

If your policy is cancelled by us or the insurer, for reasons such as misrepresentation, failure to disclose or failure to make payment, we will give you 7 days' notice of the cancellation. The cancellation will be treated in line with the terms above.

Avoidance of Contract

Where we are instructed by your insurer to avoid the contract of insurance from inception, we will retain the arrangement fee or admin charge (whichever is greater) to cover our administration costs.

Paying by Direct Debit

If you choose to pay by Direct Debit, you will be taking out a premium finance arrangement which is financed by Close Brothers Premium Finance (CBPF). We receive commission from the finance provider for introducing you to them and will be pleased to provide this information upon request. CBPF will send you a welcome pack which will include a credit agreement. In assessing your application CBPF will search the public information a credit reference agency holds about you. The credit reference agency will add details of the search to their records whether or not the application for credit proceeds. This and other information may be used to make credit decisions about you and to undertake checks for the prevention and detection of money laundering.

When paying via Direct Debit, you will be responsible for paying the monthly instalments as they fall due. In the event of any due payment not being made, the overdue payment must be made immediately. A missed payment charge will be incurred for any failed Direct Debit payments. If the payment is not received within 7 days of the default, we will commence the cancellation procedure in accordance with the policy conditions.

If you pay for your insurance policy premiums by monthly direct debit and have a claim, you are required to continue paying your monthly direct debits or settle the outstanding balance in full. Failure to do so may result in the insurer exercising any rights it has including the possibility of any claim not being settled by the insurer until payment for the policy has been received in full.

Automatic Renewal

To make the renewal process easier we may offer you the option to arrange for your policy to renew automatically. Where this is the case, the payment for the policy will be taken by the same method as the previous year and we will always write to you before the renewal is due to confirm the policy is due to renew automatically and give you the chance to cancel the renewal. Where your policy is set-up to automatically renew this will be confirmed in your welcome and/or renewal pack and you can opt out at any time by contacting us.

Receiving your Documents

We are committed to reducing our carbon footprint, so our standard practice is to issue your documents to a dedicated Portal. However, documents can be issued by email or post if required, just let us know.

Handling Money

Where we receive monies from you or your insurer, we hold these securely either on your behalf or on behalf of your insurer as their agent (as agreed with each insurer). We look to agree with insurers that such monies are received and held by us or a placing broker as agent of the relevant insurer. Where this cannot be agreed we instead receive and hold the monies on your behalf in a non-statutory client trust account. We may earn interest from money held in our trust bank account. Interest earned will not be held for the benefit of customers. Should you wish to confirm whether any monies received from you or your insurer are being held in a non-statutory client trust account, you can do so by contacting us.

As part of the process of finding an insurance policy that suits your requirements, we may pass your premium to a placing broker who will also be required to hold your money in trust. This includes intermediaries outside the United Kingdom who would be subject to different legal and regulatory regimes. In the event of a failure of the intermediary, this money may be

treated in a different way from that which would apply if the money were held by an intermediary in the United Kingdom. Unless you tell us you do not want us to do this, by accepting this Terms of Business you are giving your consent for us to act in this way. The legal and regulatory regime applying to the insurance intermediary may differ from that in the United Kingdom and if the intermediary fails, the premium may be treated in a different manner from that of an UK intermediary.

We will take commission earned from insurance companies in connection with your insurances, only after we have received your premium (or received it from a third party finance provider on your behalf). This may be before payment of the premium to the insurance company and will take account of the terms we have agreed with each insurance company. As we have systems and controls to monitor and manage credit risk, we may agree to extend credit to other customers using money from this account.
