

Brightside Terms of Business Arrangement and Important Information

This document sets out the key terms and information you need to know about us, and our arrangement with you. Please read it carefully. If you do not understand any point or have any questions regarding our relationship with you, please ask us for further information.

Accepting of our Terms of Business

By asking us to quote for, arrange or handle your insurances, you are providing your informed agreement to these Terms of Business.

Who are we and who regulates us?

In these terms of business “we”, “us” and “our” means Brightside, a trading name of Brightside Insurance Services Ltd. We are an insurance intermediary who are based in the UK and are authorised and regulated by the Financial Conduct Authority. Our registration number is 302216 and you can check our status by visiting the FCA’s website <https://www.fca.org.uk/register>. We are registered in England and Wales (no. 04137311) and our registered address is Markerstudy House, 45 Westerham Road, Bessels Green, Sevenoaks, Kent TN13 2QB. Brightside Insurance Services Ltd are a wholly owned subsidiary of the Markerstudy Group which also includes Markerstudy Insurance Services Limited.

About Our Services

We are an insurance intermediary who arrange Car insurance policies. We also offer a select range of optional additional products alongside our policies. We will arrange your insurance cover, administer payment or refund of premiums collected from you and pass them to the insurer and help you with any changes required to your existing cover. When arranging your cover, we will ask you questions so we understand your needs and ensure we provide you with a product or choice of products which meets those needs. Where more than one product on our panel is identified which meets your demands and needs, we will offer you the cheapest of those products. We do not provide advice or recommendations but will provide information about relevant products for you to make an informed decision. Please ensure that your policy meets your demands and needs.

Throughout the period of insurance, we act on behalf of both you and the insurer. We act on behalf of you when providing a quote and arranging cover. Where we issue policy documents, handle claims, and collect or refund premium payments, we act on behalf of the insurer.

Our Fees, Taxes and Charges

When you take out a policy with us you will be informed of the total price to be paid, including any fee, taxes, and charges. This will be confirmed before we conclude the sale with you and with details also provided in your welcome letter. Any fees, taxes and charges that apply on renewal of your policy will be confirmed in your renewal invitation. A range of other fees also apply to your policy, which will be chargeable at the point they apply. A summary of these is provided below:

Transaction	Fee
Administration charge for making changes to your policy *	£35.00
Cancellation charge inside the cooling off period (in addition to the cost for “time on cover” charged by your insurer)	£25.00
Cancellation charge outside the cooling off period (in addition to the cost for “time on cover” charged by your insurer and deduction of our commission.)	£60.00

Please note:

- Any changes you make to your policy can also increase or decrease your insurance premium. Some insurers may also charge fees for making changes. Details of these can be found in your policy terms and conditions.
- Some fees are non-refundable after the first 14 days. These are highlighted with an asterisk (*) above.
- All premiums quoted include the government’s Insurance Premium Tax (“IPT”) at the prevailing rate.

Charity Donation

If you have chosen to donate to charity, this payment will be segregated in a Trust account, and we will donate the whole amount to charity. We will not share any of your personal data with the charity. If you cancel your policy within the cooling off period, the donation will be refunded to you in full. If you cancel your policy after this, the donation will not be refunded.

Remuneration

When you arrange or renew your policy through us, we receive commission, which is a percentage of the premium, from the insurer(s) of your policy and any additional optional products you have purchased.

If you choose to purchase your policy using premium finance, we will also receive commission from the finance provider for arranging the finance. We will be happy to provide details of this upon request.

We remunerate our colleagues using a combination of fixed and variable rewards that are designed to ensure they always act in the customers best interests. Our sales and servicing colleagues receive variable financial and non-financial rewards based on their sales performance, providing they also achieve high levels of customer service and quality scores.

About The Products We Offer

We are not contractually obliged to place business with specific insurers but arrange Car Insurance policies through a select panel of insurers and other intermediaries. Our optional additional products are provided by one insurer per product. More details of the insurers and intermediaries we work with can be found on the last page of this document.

Your Responsibilities

Please take reasonable care to answer all the questions we ask you, either over the phone or online, honestly and to the best of your knowledge. If you do not your policy may be cancelled, treated as if it never existed or your claim not fully paid. We would like to remind you that it is an offence under the Road Traffic Act to make any false statements, or withhold any relevant information, to obtain a Certificate of Motor Insurance. Please note that under the Rehabilitation of Offenders Act you are not required to disclose convictions regarded as 'spent'.

You must also tell us about any changes which affect your insurance policy, for example a change of address, or a change in vehicle. Full details of the things you should tell us about are provided in your policy documents.

It is your responsibility to ensure that you have read, understood, and checked the accuracy of the documents we send you, including details of the cover, limits and other terms that apply and confirmation of the information you have provided. If there are any errors, or you have any questions about your policy please contact us for assistance.

Cancellation

If you want to cancel your policy, please contact us using the contact details provided with your policy. The charges which will apply for cancelling your policy, and how any refund is calculated are set out below.

Cancelling within the first 14 days

If you cancel your policy within 14 days of the purchase date or the date at which you receive your documents (if this is later) then:

- If your policy has not started, we'll refund your full premium.
- If your policy has started and you have not made a claim, we'll refund you minus a deduction for the time on cover (calculated as a proportion of the annual cover based on the insurers cancellation terms).
- If your policy has started and you have made a claim it is likely that none of your premium will be refunded.
- If you purchased optional extra products and cancel your main insurance policy, any optional extra products purchased will also be cancelled with a full refund, provided you have not used the product or claimed.

In all cases our cancellation fee set out above will apply.

Cancelling after 14 days

If you want to cancel your insurance policy after the first 14 days then the cancellation will be subject to the insurers published cancellation terms in determining what, if any, refund is provided. These cancellation terms can be found in the Insurance Product Information Document and/or policy terms and conditions and we recommend you read this carefully to ensure you understand what terms will apply. If you have made a claim, it is likely that none of your premium will be refunded.

In addition to the insurers terms our cancellation fee will apply, a proportion of the fee for setting up the policy will not be refunded and any discounts which were applied to the original premium will be deducted on a pro-rata basis. The insurer will reclaim a proportion of commission back from us. We will apply a fee equivalent to that amount and deduct it from any returned premium from the insurer or add it to any outstanding balance due on your premium finance.

In the event of cancellation of your main insurance policy after 14 days, any optional extras you have purchased with your insurance will be cancelled at the same time (whether or not they are included in your main policy or covered under a separate policy), and their premiums will not be refundable.

Discounts may be given against the total cost of your policy. If we have given you a discount against your premium, this will be deducted on a pro rata basis from any refund due to you on cancellation.

Policies cancelled by us or the insurer

If your policy is cancelled by us or the insurer, for reasons such as misrepresentation, failure to disclose or failure to make payment, we will give you 7 days' notice of the cancellation. The cancellation will be treated in line with the terms above.

Avoidance of Contract

Where we are instructed by your insurer to avoid the contract of insurance from inception, we will retain the £35 admin charge to cover our administration costs.

Paying by Direct Debit

If you choose to pay by Direct Debit, you will be taking out a premium finance arrangement which is financed by Close Brothers Premium Finance (CBPF). We receive commission from the finance provider for introducing you to them and will be pleased to provide this information upon request. CBPF will send you a welcome pack which will include a credit agreement. In assessing your application CBPF will search the public information a credit reference agency holds about you. The credit reference agency will add details of the search to their records whether or not the application for credit proceeds. This and other information may be used to make credit decisions about you and to undertake checks for the prevention and detection of money laundering.

When paying via Direct Debit, you will be responsible for paying the monthly instalments as they fall due. In the event of any due payment not being made, the overdue payment must be made immediately. A missed payment charge will be incurred for any failed Direct Debit payments. If the payment is not received within 7 days of the default, we will commence the cancellation procedure in accordance with the policy conditions.

If you pay for your insurance policy premiums by monthly direct debit and have a claim, you are required to continue paying your monthly direct debits or settle the outstanding balance in full. Failure to do so may result in the insurer exercising any rights it has including the possibility of any claim not being settled by the insurer until payment for the policy has been received in full.

Continuous Payment Authority

When you pay by credit or debit card, we will store your card and bank details safely in accordance with industry standards, and, with your consent, set up a Continuous Payment Authority (CPA). This allows us to take your payments automatically when they are due, including for any amendments you make, future renewals as well as collecting any balances owing following cancellation of your policy. We will always inform the policyholder of any payments which are due to be taken. You can cancel the CPA at any point by contacting us.

Automatic Renewal

To make the renewal process easier we may offer you the option to arrange for your policy to renew automatically. Where this is the case, the payment for the policy will be taken by the same method as the previous year and we will always write to you before the renewal is due to confirm the policy is due to renew automatically and give you the chance to cancel the renewal. Where your policy is set-up to automatically renew this will be confirmed in your welcome and/or renewal pack and you can opt out at any time by contacting us.

Receiving your Documents

We are committed to reducing our carbon footprint so our standard practice is to e-mail your documents to you, however, documents can be issued by post if required, just let us know.

Handling Money

Where we receive monies from you or your insurer, we hold these securely either on your behalf or on behalf of your insurer as their agent (as agreed with each insurer). We look to agree with insurers that such monies are received and held by us or a placing broker as agent of the relevant insurer. Where this cannot be agreed we instead receive and hold the monies on your behalf in a non-statutory client trust account. We may earn interest from money held in our trust bank account. Interest earned will not be held for the benefit of customers. Should you wish to confirm whether any monies received from you or your insurer are being held in a non-statutory client trust account, you can do so by contacting us.

As part of the process of finding an insurance policy that suits your requirements, we may pass your premium to a placing broker who will also be required to hold your money in trust. This includes intermediaries outside the United Kingdom who would be subject to different legal and regulatory regimes. In the event of a failure of the intermediary, this money may be treated in a different way from that which would apply if the money were held by an intermediary in the United Kingdom. Unless you tell us you do not want us to do this, by accepting this Terms of Business you are giving your consent for us to act in this way. The legal and regulatory regime applying to the insurance intermediary may differ from that in the United Kingdom and if the intermediary fails, the premium may be treated in a different manner from that of an UK intermediary.

We will take commission earned from insurance companies in connection with your insurances, only after we have received your premium (or received it from a third party finance provider on your behalf). This may be before payment of the premium to the insurance company and will take account of the terms we have agreed with each insurance company. As Brightside has systems and controls to monitor and manage credit risk, we may agree to extend credit to other customers using money from this account.
