You must check the details carefully as We expect You to provide complete and accurate information when You take out Your insurance Policy, throughout the lifetime of the Policy and when You renew Your insurance.

You are reminded that it is an offence under the Road Traffic Act to make any false statements or withhold any relevant information to obtain a Certificate of Motor Insurance.

You should keep a record of the information You give in relation to this Policy. If You fail to take reasonable Care to provide complete and accurate information to the best of Your knowledge and belief when You take out Your insurance Policy or if You do not tell Us about any changes, We may:

- revise the premium and/or Excess/Endorsement;

Claims Helpline

If You have an Accident, Incident, Loss or Damage

Contact Us

You must call the 24 hour Claims Helpline on 0344 854 0677 as quickly as possible following the incident (preferably within 24 hours but ideally within 1 hour of the incident). This is regardless of whether You wish to make a claim under the Policy or not. Delay in notification of an incident may invalidate Your right to claim.

Theft

If there has been a Theft, attempted Theft or Vandalism You must also inform the police and obtain a crime reference number.

Information for us

When You call the claims team, please have ready Your current Certificate of Motor Insurance, details of the driver if other than Yourself, Your Vehicle, and details of the incident. You will also need to provide the crime reference number when reporting a Theft, attempted Theft or vandalism.

Claims Helpline

By calling the Claims Helpline You also get the assistance of the third party loss recovery service which includes a guaranteed replacement vehicle. Please see below for more information regarding the claims helpline and claims settlement.

When You call the Claims Helpline after You have had an accident where a third party is deemed to be responsible, the claims team will arrange a temporary replacement vehicle by way of credit hire from (or by way of other appropriate arrangements with) the approved providers for Your use until Your vehicle is returned to You in a condition fit for use or a reasonable offer is made to You for the settlement of Your vehicle claim, whichever is the sooner.

Windscreen Claims Notification

To make a claim, please contact the Claims Helpline on 0344 854 0677 to arrange for replacement or repair of Your windscreen or windows. Windscreen and glass cover is set out in Section 7 of the Policy (applies to comprehensive cover only).

Replacement Vehicle

You must establish Our claim team's reasonable satisfaction that You need such a Replacement Vehicle (e.g. Your Vehicle is not roadworthy or Your Vehicle is at a garage for the Accident repairs) and all the following information must be supplied to the Claims Helpline within 14 days of the Accident:

- a. The name of the Third Party;
- b. The registration number of the Third Party's vehicle;
- c. Contact details for the Third Party; and
- d. The Third Party's insurance details (the name and telephone number of the insurer and the relevant Policy number).

Guaranteed Replacement Vehicle is not available when an Accident has occurred outside of the UK.

The 24 hour Claims Helpline will be able to give You access to the Approved Repairer network. The benefits of using the Approved Repairer network will depend on the level of Policy cover You selected but can include:

- a. FREE collection and re-delivery;
- b. FREE vehicle cleaning service;
- c. FREE guaranteed courtesy car;
- d. Repairers' work guaranteed for five years.

Courtesy / Loan Vehicle

Where the cover type is comprehensive and following the report of an incident via the claims helpline where there isn't a known third party deemed to be responsible (non-recoverable claim) and Your Vehicle is deemed repairable, Our approved repairers will loan a Vehicle to You whilst Your Vehicle is being repaired.

While You are in possession of the courtesy Vehicle, cover for loss of or damage to the vehicle will be provided by Us in accordance with this Policy, its Terms, Endorsements and conditions, including Excesses for which You will be responsible. You are not required to inform Us when You are supplied with a courtesy Vehicle from Our Approved Repairer. We will not make a charge for this cover.

If the parts required to repair Your Vehicle are not immediately available to Our Approved Repairer We reserve the right to withhold the provision of a courtesy Vehicle until such time as the necessary parts are available and repair work can proceed.

If Your Vehicle is accepted by Our Approved Repairer as being a repairable proposition, but it is subsequently deemed by Us to be beyond economical repair, We reserve the right to withdraw the courtesy Vehicle immediately.

The courtesy Vehicle will be supplied subject to Our Approved Repairer's standard Policy Terms and conditions, for use in the United Kingdom only. Our aim is to keep You mobile rather than the courtesy Vehicle being a replacement for Your Vehicle in terms of status or performance.

You will not receive a courtesy Vehicle from Us if You use a non-approved repairer, We do not provide cover for You to drive a courtesy Vehicle if it is provided to You by a non approved repairer.

- Any accidents or losses while You are in possession of the courtesy Vehicle must be reported to Us immediately, and may affect Your No Claims Discount.
- Driving of the courtesy Vehicle will be limited solely to those persons named on Your Certificate of Motor Insurance, and the use of the Vehicle will be restricted to the use described on that certificate.
- You must return the courtesy Vehicle to the Approved Repairer either when We ask You to do so or if this insurance falls due for renewal and You fail to renew it with Us. Once Your Policy has expired, We will cease to insure Your Vehicle and any consequence Vehicles You are using as a result of claim, including but not limited to courtesy Vehicles provided by the repair garage.
- Repairs completed by a non-approved repairer will not be guaranteed for any length of time.

Please read the General Conditions in this Policy document and the claims procedure.

General Advice Following an Accident or Incident:

Stop

Stop as soon as possible, in a safe place (if You have a warning triangle, place it well before the obstruction). If anyone has been injured, call the police and ambulance service.

Do not admit responsibility, either verbally or in writing. Instead, ask any other person involved in the accident to contact the 24 hour Claims Helpline number 0344 854 0677.

By getting the other person(s) involved in the accident to ring the 24 hour Claims Helpline You will give him/her the opportunity of obtaining Our assistance in progressing repairs and assisting with the provision of a courtesy vehicle if the circumstances of the accident warrant this.

If for any reason You have not been able to exchange details with other drivers or owners of property or You were in collision with an animal, You must report the accident to the police as soon as possible and certainly within 24 hours of the accident.

Take a Photo

If You have a mobile phone with You and it is fitted with a camera, try and take photographs to support the positions of the vehicles and the extent of damage.

Sketch

Make a quick sketch of the direction and final position of each vehicle (it is worth keeping a pen and paper in Your Vehicle).

Note Down

You will need to make a note of:

- a. The other party's vehicle registration number, name, address and telephone number of any other drivers involved in the accident.
- b. The number of passengers in each vehicle.
- c. The name and address of anyone who is injured (or suggesting they have been injured).
- d. The name, address and telephone number of any witnesses to the accident.
- e. The name, telephone number and constabulary of any police officer who attends the accident.
- f. Details of what happened including if anything/anyone outside of the vehicles involved were damaged or injured.

Provide

You must give Your own details to anyone who has reasonable grounds for requesting them. If You have a dashcam recording at the time of the incident or loss, then to support Your claim please send in the footage to the claims handler.

Your Contract

Documents

Your Motor insurance contract is made up of the following documents which should be read together:

- This Insurance Policy Document;
- The Motor Policy Schedule;
- The Certificate of Motor Insurance;
- The Statement of Insurance
- The Insurance Product Information Document

Your Policy Information

If any of the details are incorrect You must inform Your Broker immediately, failure to do so may result in Your insurance not protecting You in the event of a claim. If You have any questions concerning Your insurance, please contact Your Broker immediately. If, at any stage You would like to receive a new copy of Your Policy Wording, please contact Your insurance Broker who will be happy to provide this. If You have any concerns with this Policy, or You do not understand it or any Terms contained in it, You should contact Your Broker immediately.

This document along with Your Certificate of Motor Insurance and Motor Policy Schedule are evidence of a contract of insurance between Your Broker, Us and You. This contract is entered into on the basis that You have taken care to answer all questions asked honestly, accurately and to the best of Your knowledge and that any other information given either verbally or in writing by You or on Your behalf at the time You applied for insurance is also complete and has been given honestly and to the best of Your knowledge and belief. The information that You have given to Us is shown on Your Statement of Information but will also include further information given either verbally or in writing by You or on Your behalf at the time You applied for insurance. Failure to supply accurate and complete answers may mean that Your Policy is invalid and does not operate in the event of a claim.

Cover Provided

In return for You paying to pay the premium, We will provide, subject to the Terms and Endorsements contained in or endorsed upon this Policy, the cover shown in Your Motor Policy Schedule for accident, injury, loss or damage that happens during the Period of Insurance.

Statement

Nobody other than You (the Insured) and the Insurer shown on Your Motor Policy Schedule has any rights that they can enforce under this contract except for those rights that they have under road traffic law in any country in which this insurance applies. This clause does not affect any rights enforceable under the Third Parties (Rights Against Insurers) Act 2010.

Please keep this Policy in a safe place as You may need to refer to it if You need to make a claim.

Protection Against Fraud

Insurance fraud has an impact on both Us and our customers, so We take certain measures to prevent it

When purchasing, amending and renewing Your insurance, You must take all reasonable care to answer all questions honestly and to the best of Your knowledge and not make a misrepresentation to us. If You deliberately or recklessly answer the questions inaccurately or otherwise misrepresent the proposed risk we:

- a) May avoid or cancel the policy and refuse all claims; and
- b) Need not return any of the premium, except to the extent (if any) that it would be unfair to retain it.

If we believe You make a legitimate mistake and You did not deliberately or recklessly answer a question inaccurately or otherwise misrepresent the proposed risk and we would not have entered into this policy if we had the true information, we may by notice to you treat this policy as having been terminated from its inception, so we may refuse all claims but we shall return the premium.

In all other cases if we believe You make a legitimate mistake and You did not deliberately or recklessly answer a question inaccurately or otherwise misrepresent the proposed risk if, but for the mistake, we would have entered into this policy but:

- a) on different terms (other than terms relating to the premium), we may require that this policy is treated as if it had been entered into on those different terms from the outset; or
- b) would have charged a higher premium, we may reduce the amount to be paid on a claim and, if applicable, the amount already paid on prior claims.

Your premium is based on the information You supplied to Us in the most recent Statement of Information. You must check the details carefully as We expect You to provide complete and accurate information when You take out Your insurance Policy, throughout the lifetime of the Policy and when You renew Your insurance otherwise we may effect the appropriate remedy described above. .

You are reminded that it is an offence under the Road Traffic Act to make any false statements or withhold any relevant information to obtain a Certificate of Motor Insurance.

When You have told Your Broker about any changes We will reassess Your cover and premium. Some changes may result in either a reduced premium or You may need to pay an additional premium and some changes may be unacceptable to Us

This insurance will only apply if the person claiming has kept to all the Terms of this Policy; all the information is complete and has been given honestly and to the best of Your knowledge and belief.

In addition, if We find that fraud has been committed We may:

- Inform the police, which could result in prosecution
- Pass details to fraud prevention agencies. Law enforcement agencies may access and use this information

We and other organisations may also search these agencies and databases to

- Help make decisions about the provision and administration of insurance, credit and related services for You and members of Your household;
- Trace debtors or beneficiaries, recover debt, prevent fraud and to manage Your accounts or insurance policies;
- Check Your identity to prevent money laundering, unless You furnish Us with other satisfactory proof of identity.

In addition We may undertake credit searches and conduct additional fraud searches, which may include requests for copy driving licences, utility bills and other documentation to verify the identity of any person applying for insurance.

3. Motor Insurance Database

Information relating to Your insurance Policy will be added to the Motor Insurance Database ("MID") managed by the Motor Insurers Bureau ("MIB"). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVA, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- Electronic Licensing
- Continuous Insurance Enforcement
- Law Enforcement (prevention, detection, apprehension and/or prosecution of offenders)
- The provision of government services and / or services aimed at reducing the level of incidence of uninsured driving

If You are involved in a road traffic incident (either in the UK, the EEA or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic incident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds Your correct registration number. If it is incorrectly showing on the MID You are at risk of having Your vehicle seized by the Police. You can check that Your correct registration number details are shown on the MID at www.askmid.com

4. Dealing with others on your behalf

To help You manage Your insurance Policy, subject to answering security questions, We will deal with You or Your husband, wife or partner or any person whom We reasonably believe to be acting for You if they call Us on your behalf in connection with Your Policy or a claim relating to Your Policy. For Your protection only You can cancel Your Policy or change the contact address.

5. DVLA and MyLicence

To detect and prevent fraudulent claims and/or activities We may check the DVLA (Driver & Vehicle Licensing Agency) register for details of Your driving history and motoring convictions. We may undertake searches against Your (or any person included on the proposal) Drivers Licence Number (DLN) against details held by the DVLA to confirm Your licence status, entitlement and restriction information and endorsement/conviction data. This helps Us check information to prevent fraud and reduce incidences of negligent misrepresentation and non-disclosure. A search of the DLN with the DVLA should not show a footprint against Your (or another relevant person included on the proposal) driving licence.

You can view Your licence information on the DVLA website and create a licence 'check code' to share your driving record with someone, e.g. a Vehicle hire company. For more information on the DVLA register can be found at: <https://www.gov.uk/view-driving-licence>.
